Thank you for your interest in NumberLink!

The easiest way to install and license is by using the [aescripts + aeplugins manager app](#)
To install a trial you can select 'Add Trial' from the 'Account' Menu

Installing NumberLink without Manager App: After downloading the jsxbin file, follow these simple steps:

1. Locate the "ScriptUI Panels" folder for your latest version of After Effects.

2. Move the downloaded jsxbin file into the "ScriptUI Panels" folder.

3. If After Effects was running during the installation, restart it to ensure the script loads correctly.

4. Once After Effects is open again, click the "Window" tab in the toolbar at the top of your computer screen.

5. Scroll down to find the NumberLink.jsxbin file, then click it

6. Follow the on-screen prompts to start using NumberLink!
