

Installation

Installation

The easiest way to install and license is by using the aescrpts + aeplugins manager

To install a trial you can select 'Add Trial' from the 'Account' menu

Download the manager here:

<https://aescrpts.com/learn/aescrpts-aeplugins-manager-app/>

- manual installation:

1. Download the plugin from Aescrpts.com
2. Unzip the downloaded file.
3. Once unzipped, place the Motion Manager folder in the `plugins` folder:
Windows: `C:\Program Files\Maxon Cinema 4D RXX\plugins\`
MacOS: `/Applications/MAXON/CINEMA 4D RXX/plugins/`
4. Run Cinema 4D and the plugin will appear in the Extensions menu.
