

BBTools Tiler 4

Quickstart Instructions

Installation

The easiest way to install and license is by using the aescrpts + aeplugins manager (<https://aescrpts.com/learn/aescrpts-aeplugins-manager-app/>)
To install a trial you can select 'Add Trial' from the 'Account' menu.

Alternatively, you can also install using the aescrpts xzp/uxp installer
<https://aescrpts.com/learn/xzp-installer/>

Accessing the Plugin

- Launch Adobe Photoshop.
- Open an image or create a new project.
- Open the plugin under the Plugins -> BBTools Tiler
