

Gaussian Splatting For Davinci Resolve

How to install

The best way to install a plugin is use aescript manager app:
<https://aescripts.com/learn/aescripts-aeplugins-manager-app/>
This will automate installation and registration process.

If you need for some reason to install plugin manually follow this steps:

Mac

- 1) unzip GS_ofx_vX.X.zip
- 2) Copy GaussianSplatting.ofx.bundle to /Library/OFX/Plugins

If this directory does not exist just create it.

Windows

- 1) unzip GS_ofx_vX.X.zip
- 2) Copy GaussianSplatting.ofx.bundle to C:\Program Files\Common Files\OFX\Plugins\
