

=====

SUPERPOSE for AfterEffects Installation Instructions

=====

The easiest way to install and license is to use the
[aescripts + aeplugins manager app](#)

=====

=====

To install and license manually, please follow these instructions:

1. Copy the Keller.io folder for your platform into your plugins directory.

Windows:

c:\Program Files\Adobe\Adobe After Effects CC 2018\Support Files\Plug-ins\Keller.io\

OSX:

/Applications/Adobe After Effects CC 2018/Plug-ins/Keller.io/

IMPORTANT: The directory name is case sensitive

2. Enter your license code manually by pressing "Register" in the effect panel. You can find your license code in the '[My Downloads & Licenses](#)' section in your user account.
