

Ultimate Titles

The easiest way to install is by using our manager app: <https://aescripts.com/learn/aescripts-aeplugins-manager-app/>

Alternatively, you can install using the free aescripts ZXP installer: <https://aescripts.com/learn/zxp-installer/>

Minimum supported version is Adobe Premiere Pro 2020 (14.0).

After the installation, you will find the Ultimate Titles under:

Window > Extensions > Ultimate Titles
