

## Installation

1. Download and open [ZXP Installer](#) from AEscrepts
2. Open the .ZXP (*File > Open*) or drag it into the installer
3. If After Effects is open, close and restart the program
4. Open the extension from *Window > Extensions > Taxon*

## Resources

- Watch a [Taxon tutorial](#) to help you get started
- Open a [support ticket](#)

Enjoy :)
