

The easiest way to install and license is by using our manager app: <https://aescrpts.com/learn/aescrpts-aeplugins-manager-app/>

### **Manual Install Instructions**

Go to After effects, Edit> preferences>General and check on “Allow scripts to write files and access network”.

Note: For 2019 AE and above, check “Allow scripts to write files and access network” in Edit> preferences>Scripting and Expressions.

### **Run**

In After effects, Go to File > Scripts > Run Script File and browse for downloaded “Expression Calculator\_v1.jsx” file and click on open.

### **For dockable script**

After Downloading, copy “Expression Calculator\_v1.jsx” and paste into “C:\Program Files\Adobe\Adobe After Effects CC [your version]\Support Files\Scripts\ScriptUI Panels” and restart after effects if open. Find the script in Window Panel.
